AMERICAN LEGION AUXILIARY
Badger Girls State

Timetable

ALABGS website: www.alabgs.org or use the QR code and email: alabgs@amlegionauxwi.org.

November: High Schools are notified that promotional materials and the prospective Delegate application is available for download on the American Legion Auxiliary Badger Girls State website, under the High School tab.

January 31: Deadline for the sponsorship form along with the $500.00 fee. Once a sponsorship form is received and processed, an email will be sent to the school's point of contact listed on the sponsorship form, confirming how many Delegate spots have been reserved and the sponsor's name and contact information.

February: Registration information is sent to **(sponsored)** high schools. Information includes everything the school needs to register their Delegates & Alternates. Registration information is not sent to the High School until Department receives the sponsorship form & fee.

2027 Session Information for Delegates: Accessible (after March) on the ALABGS website under the Session Info tab. This online material provides complete session details and all required forms.

Delegates **WILL NOT** get packets mailed to their homes – if they don't have internet access at home, they should ask their counselors to print the information for them. If they have questions or problems, they should contact headquarters for assistance.

April 1: Delegates and Alternates must complete online registration.

May: Orientations will be held virtually. Delegate(s), alternate(s), parents, school personnel as well as sponsors are strongly recommended to watch the orientation video. There are also plans to have online question and answer sessions in the spring where parents and delegates can ask questions the orientation did not answer- those dates will be posted on the ALABGS website.

Delegates and Alternates are encouraged to check the American Legion Auxiliary Badger Girls State website for updates.
